Reviews

Extremely helpful to all category of individuals. I have got go through and that i am confident that i will likely to read through once again again later on. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Nikita Herzog)

THE WORKING POOR: INVISIBLE IN AMERICA (PAPERBACK)

[DOWNLOAD PDF](#)

Random House USA Inc, United States, 2005. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From the author of the Pulitzer Prize-winning *Arab and Jew*, an intimate portrait unfolds of working American families struggling against insurmountable odds to escape poverty. As David K. Shieler makes clear in this powerful, humane study, the invisible poor are engaged in the activity most respected in American ideology--hard, honest work. But their version of the American Dream is a nightmare: low-paying, dead-end jobs; the profound failure of government to improve upon decaying housing, health care, and education; the failure of families to break the patterns of child abuse and substance abuse. Shieler exposes the interlocking problems by taking us into the sorrowful, infuriating, courageous lives of the poor--white and black, Asian and Latino, citizens and immigrants. We encounter them every day, for they do jobs essential to the American economy. This impassioned book not only dissects the problems, but makes pointed, informed recommendations for change. It is a book that stands to make a difference.
