Essential parkour movements are those which, with basic parkour training, would be relatively safe to use on a whim, i.e., if you were running away from someone in an unfamiliar area. There are no fancy freerunning movements in this parkour training book. It is pure parkour movement and parkour strength training! Essential Parkour Training Includes . everything you need to develop the ability to get from one point to another as efficiently as possible! Essential Parkour Training follows a philosophy of progressive training which is extremely important in parkour for breaking through fear as well as for safety. Each parkour lesson is presented using progressive parkour training steps. Written in simple language and accompanied with easy to follow pictures where needed. The parkour strength training and movements in this book are split into six sections according to the type of movement: Safety. Parkour is not a dangerous activity as long as you progress slowly, do not take unnecessary risks, and learn the correct safety techniques. Warm-ups and Conditioning. Use fundamental parkour movements such as balance and quadrupedal movement to warm-up and condition the body for more advanced parkour skills. Running and Jumping. Sprints, hurdles, precision jumping and other movements to get you over or between obstacles without making contact with them. This...
