

Discovering the Beautiful: A Collection of Thoughts on Life, Love, Family, Friendship, and Other Matters (Paperback)

By Samuel Larson

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This collection of writings on life and love came about through the encouragement of family and friends, and through the advantages of the internet and social media, a mechanism by which a writer may receive instant feedback from a vast audience. I have found the experience of sharing to be mostly uplifting, and I feel fortunate to have made a connection with so many great people who are willing to read and comment on my stories, and who are willing to share from their own experiences; the process has been very motivational. In this book, I have compiled an array of writings on human relationships, on the adventure of life, the promise of love, the value of family and friendship, and on a few other matters of human concern. My hope is that you will find this collection of essays, short stories, poetry, and simple thoughts to be in good spirit, inspirational, thoughtful, and in good humor. Thank you dear readers. Samuel Larson.

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This pdf is worth buying. It is actually written in basic words and not confusing. It has been printed in a remarkably basic way in fact it is merely following what I finished reading this publication through which really altered me, affected the way I really believe.
