Lingua Sacra Publishing, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. Ancient Rome comes to life in all its intrigue, glory, and grittiness. The dialogue is at times funny, at other times deeply emotional, a roller coaster of experience that makes you forget it's fiction. For anyone who loves history, time travel, languages, or just a great story, read In Saecula Saeculorum ! - Alan, 5 Star Amazon Review The four seniors at the Fairfax Classical Academy in Virginia are just a few short weeks away from graduation. They've got all the typical worries of teenagers. Grades and romance top the list of their dramas. But what they don't know is that their last four years have been a lie. They thought they were in high school, but they were actually being trained in a joint NSA/MI-6 operation to go back in time to ancient Rome on a mission to save the world. As they embark on the greatest adventure in the history of humankind, they will struggle with attractions, addictions, and emotional turmoil. But that only makes them normal teenagers. As a former NSA agent himself, as well as a Latin teacher, the author Keith Massey infuses In Saecula Saeculorum with authentic details both of the world of espionage and the language and culture of ancient Rome.
