CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 54 pages. Dimensions: 8.3in. x 5.3in. x 0.2in. Accounting Basics: Dictionary is the companion dictionary in the Accounting Basics series of publications. The book contains clear and concise definitions for over 300 accounting and business terms, and although it was written as a companion book specifically for the Study Guide and Workbook (the other publications in this series), it easily stands on its own and can be used as part of any accounting 101 curriculum. The Accounting Basics series, which this book is part of, is quite possibly the simplest and most comprehensive series of basic accounting publications in existence today, helping accounting students around the world excel at their studies. And while the Accounting Basics series has been tailor made for both high school and college students, it is also very handy for working professionals who need to brush up on all the basic accounting concepts and practices. Also available in this series: Accounting Basics: Study Guide A theory book containing over 59 lessons on basic accounting concepts and practices. Accounting Basics: Workbook The companion workbook, containing over 88 questions and exercises, which correspond to all of the lessons and chapters in the Study Guide. Accounting Basics: Complete Guide A compilation of the Study Guide, Workbook and Dictionary in a single Accounting Basics publication. This item ships from La Vergne, TN. Paperback.
