

Poverty and the Continuing Global Health Crisis

By Don A Franco

Tate Publishing Enterprises, United States, 2009. Paperback. Book Condition: New. 206 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.In a timely and relevant work of social commentary, Poverty and the Continuing Global Health Crisis examines the problem of world poverty and its impact on health with embarrassment, while being totally cognizant of the complex issues linked to both poverty and health. Poverty continues to touch the consciousness of humanity, challenging our piety, and questioning our concerns about equality and the plight of society's least fortunate people. This book amplifies the hopelessness of the poverty stricken masses in a world of plenty, and links poverty to a chain of problems in the campaign to stop this crisis, indicting the traditional approaches that have failed to accomplish established objectives. Through a variety of examples and viewpoints, this compelling book encourages not just worldwide humanitarian groups, but individuals as well, to confront the elements of poverty if global health is to be improved or realized, while accepting the truth that success will take a long time and is dependent on collective will, commitment, governance, and a concerted unified effort in a world fraught with uncertainties.
