ACTIVATING THE POWER OF THE CROSS

Moody Press,U.S., United States, 2013. Paperback. Book Condition: New. New. 185 x 130 mm. Language: English . Brand New Book. We live in the digital age. Everyday most of us use our gadgets to search the internet, send out emails and connect with friends on Facebook. If we were honest, we couldn't do much without our phones and computers. But what would happen if these items were not powered on? They would still have everything necessary to provide us what we need for these activities. But, without power they'd be useless. There is something more powerful than the technology we use each day. And it has an even greater capacity to positively impact and enrich our lives in every way. Yet it is an untapped, frequently inactivated resource. That something is the cross. In this book, Dr. Tony Evans will help you understand how to activate the power of the cross, gaining access to all of the benefits, blessings and power contained within it and through it, so that you can live the empowered and victorious life God intended.
