

Aztec Math Primary Book 2

By John H Lettau

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Aztec Math Primary Book 2 was designed to provide classroom teachers with motivational material that will fulfill the students needs and interests in learning mathematics. Most basic K-3 grade level skills are covered in the 36 worksheet assignments to include: sets, addition, subtraction, greater and less than, odd and even numbers, prime numbers plus more. The basic format requires students to: (1) review work and directions, (2) complete the color key.this can be student selected or teacher assigned and (3) complete the design using the color key as a guide. Each worksheet produces a colorful geometric design. The worksheets may be used with equal effectiveness in learning centers, individual instruction, small groups whole class and/or remedial instruction. The author grants permission to teachers to reproduce any part of this book for classroom use. You may be also interested in.Aztec Math Primary Book 1 available at Amazon.

Reviews

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication i have go through. I realized this ebook from my i and dad suggested this publication to learn.

-- **Austin O'Connell**

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
