### **Reviews**

*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
(Isaac Olson)

HarperCollins Publishers, United Kingdom, 2012. Paperback. Book Condition: New. 200 x 130 mm. Language: English . Brand New Book. The Devil Wears Prada meets Wall Street in this fast-paced, hilarious odyssey in four-inch heels. Whilst some bankers take 15 minutes to agree on a font size for a presentation, Alex Gerrett discovers that it takes her only one minute to lose her new bank \$93,000 on her first trade. Welcome to the world of finance. Being at the bottom of the corporate ladder in one of Wall street s biggest powerhouses is like having landed in a giant adult playground for new-girl-on-the-block Alex. As a child she witnessed the glamour of the money-making machine via her banker dad. Now, she has survived the do-you-squeeze-the-toothpaste-from-the-bottom-or-the-top? question in the interview and is heading for The City. Her Watch Out Wall Street, Here I Come attitude is soon punctured by her status as the one with the folding chair instead of a desk. She has a lot to learn, for example: \* A \$65 limo ride is a completely acceptable way to travel ten blocks.\* or five blocks if it s raining. \*Knowing maths is important - but nowhere near as important as you d think! \* A bet is a bet is a bet. If you lose at credit card roulette, you will pay the bill. No one cares that it s your first job and the bill is \$10,000. And with things looking a little sticky on the World s markets, it s going to be a bumpy ride.
