

## Turning 44: .Living Beyond His Years

---

By Melissa Collier

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Grief is nothing to be ashamed of and not every loss is something we can just get over. The truth is that not all grief dissipates. Yes, our sadness softens over time but not always before it changes us or takes on a life of its own. In this wry and raw memoir, turning 44, Melissa Collier delivers a poignant tribute about gratitude and grief and the life that happens in between. Rejecting the natural stages of grief, Collier chooses instead to wear her loss as a badge of honor and an outright refusal to allow her father to be forgotten simply because he died an early death. Infused with unexpected humor, this is not your typical book about death and dying. Collier doesn't focus on the long term impact of his death but rather the long term impact of his life. When people ask what is your book about? my first inclination is to say that is it about my Dad dying at the age of forty-four. More accurately, mine is a story of becoming a...

### Reviews

*An incredibly wonderful ebook with lucid and perfect answers. It is written in easy words instead of difficult to understand. It has been printed in an exceptionally easy way in fact it is simply following. I finished reading this publication in which really modified me, modified the way I think.*

*An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Brian Miller**
