Financial Times Prent.Int, 2004. Taschenbuch. Condition: Neu. Unbenutzte Restauflage Unbenutzt. Schnelle Lieferung, Kartonverpackung. Abzugsfähige Rechnung. Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - Management Consulting provides an introduction to the theory and practice of consultancy as an industry and a process. It is well-suited to an increasing number of dedicated management consulting programmes and work placement 'modules' at undergraduate and postgraduate level. The book offers an accessible and clearly-written overview of the concepts and skills involved in undertaking -- and successfully delivering -- any form of consultancy project. The second edition builds on these strengths as well as enhancing its suitability and relevance for use by both business and non-business students (e.g. engineering, art & design, media, computing) undertaking live projects in the workplace as part of their academic study. 302 pp. Englisch.
