Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Sixth Reader 7. The vocabulary work is made vital. Helpful word lists and glossary, idioms, correlated language work, footnotes (placed so as not to distract), and charts for pronunciation and derivation (inside the back cover) are provided. The child is thus gradually inducted into intelligent use of the dictionary. 8. Typographical aids - such as throwing into relief sentence and clause thoughts or dialogue by increased spacing, keeping phrases intact as much as possible, and placing reference numbers at logical points make - reading easier for the pupil. 9. Pictures that sympathetically illustrate the text are introduced for their teaching value and appeal. Questions upon the illustrations are introduced to develop powers of observation. 10. Speed and content tests for diagnostic purposes are adapted to classroom use and made the basis for effective drill. 11. Practical everyday reading of various kinds is stressed. Rapid, reference, and sight reading are made a part of the training, as well as intensive and interpretative reading. A start is made towards proper reading of newspapers. 12. How to study is given special attention, for silent reading is now recognized as part of all textbook work. Supervised study has been developed in an entirely new way by means of italicized directions which guide the child in his thinking. These Readers are designed for basal use. The study equipment and the Manual make the books valuable as a basal series for schools that require training in silent reading. The fresh and vital material makes them equally desirable as a basal series for oral reading. This fullness of material and careful preparation of equipment enable the books to fill a distinct need...
