SPACERS CORE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. SPACERS: It is the hip nickname for those that travel in space. Whether they re pilots, engineers, specialists, or even very non-specializing hangabouts, these individuals would rather be in space most of the time. The reasons to be in space and the benefits for being there can be worked out later. Explorers, adventurers, and thrill-junkies all, the next new thing calls to these sorts. The universe around them may use labels like appleseeds, fly-bys, and crashlanders but everyone knows that one has to add the words in space to every sentence of their biographies, making them that much more awesome. The SPACERS Core Rules are based on the Red Bat system, the same rules underlying Glow: The World After the Fall(s).
