HarperCollins Publishers, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. A dark, breathless, beautifully-written gothic thriller of murder, madness and a mysterious island.London, 1894. Juliet Moreau has built a life for herself-working as a maid, attending church on Sundays, and trying not to think about the scandal that ruined her life. After all, no one ever proved the rumours about her father s gruesome experiments. But when she learns her father is alive and continuing his work on a remote tropical island, she is determined to find out if the accusations were true.Juliet is accompanied by the doctor s handsome young assistant and an enigmatic castaway, who both attract Juliet for very different reasons. They travel to the island only to discover the depths of her father s madness: he has created animals that have been vivisected to resemble, speak, and behave as humans. Worse, one of the creatures has turned violent and is killing the island s inhabitants. Juliet knows she must end her father s dangerous experiments and escape the island, even though her horror is mixed with her own scientific curiosity. As the island falls into chaos, she discovers the extent of her father s genius-and madness-in her own blood.
