Hodder Stoughton General Division, United Kingdom, 2013. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. A romantic comedy for anyone who is, has been or is ever likely to be a grown up. Being a thirtysomething man isn't easy (especially when you still yearn to be a twentysomething man). Meet Harry Spencer. History teacher, lover of snack food and terrified of growing up. However, when his wife Emily drops the P-Bomb, Harry is suddenly thrust into the role of expectant father. When he's tempted by the greener grass of an ex-girlfriend past, Harry has to make the most important decision of his life. Does he have what it takes to become a man, or will he succumb to the lure of adolescent fantasy? This is a love story about what happens after we've fallen in love, when we've swapped frolicking in the bed for cigarettes in the shed and Match of the Day for Mothercare. Brutally honest, laugh-out-loud funny and heart-warming, this is a diary about one man's bumbling journey on the road to adulthood. Visit Jon's website at or follow him on Twitter You can also email him at.
