Kensington Publishing, United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Fanny and Amy Abel, the dynamic mother-and-daughter owners of a NYC travel agency, have just booked their biggest trip yet. But the itinerary may include murder . . . Paisley MacGregor, a maid to the rich, made a dying request to send all of her wealthy employers on a first-class wake to spread her ashes around the world. But Amy has her suspicions about these mourners, especially when one has a life-threatening accident at the first stop in Paris. And when a mysterious American stranger tagging along with the group has his ticket punched in the shadow of the Taj Mahal, Amy knows she may have a killer on her tour. Digging for clues while continuing on with the trip is a lot for Amy to manage, especially when another mourner has a possibly fatal encounter with a Hawaiian volcano. Back in the States, Fanny and Amy start to piece together a secret worth killing for, but someone is hot on their trail, and ready to send them on a one-way trip to the morgue! Praise for *Toured to Death* Smart, snappy dialogue and fun, likable characters keep this series debut moving right along. Library Journal, starred review Conrad's novel is a fun read that wonderfully blends the element of mystery with a dynamic character duo and some amazing travel scenes. RT Book Reviews.
