2010. PaperBack. Book Condition: New. 224 This book summarises in a lightsome manner unique innovative logics for human resource development. Abundance of ideas is there for the unification of knowledge. The unrestricted theme shows potential for providing a final engineered touch for the realizations of unification dreams. A fast moving thought for a matching world calls for a more rational and rigorous division of mental labour but not of values. The theme, instinct with present realities, gradually embraces everyone and hopes for a more meaningful and esteemed status for higher education.
