

Why You Shouldn't Eat Your Boogers and Other Useless or Gross Information about Your Body

By Francesca Gould

Tarcher. Paperback / softback. Book Condition: new. BRAND NEW, Why You Shouldn't Eat Your Boogers and Other Useless or Gross Information about Your Body, Francesca Gould, "You: The Owneras Manual" meets "The Book of Useless Information" in this fun and quirky guide to little known facts about the human body. This delightful book is full of random and, at times, scatological facts about the human anatomy. Broken down by the systems of the body, it answers questions you may be too embarrassed to ask or even think about, such as: - Do bugs live in your eyelashes? - What does human flesh taste like? - Can you really catch a cold by standing in the rain? - How do astronauts poo in space? - What foods can cure a hangover? - Why is yawning contagious? - Is eating boogers bad for you? This oddball yet erudite book is full of fascinating factoids that those of us in search of guilty pleasures (or gross thrills!) will delight in.

Reviews

It is simple in read through safer to comprehend. This is for anyone who statte that there was not a really worth reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Samanta Klein**

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.
