

Four New Messages

Filesize: 8.41 MB

Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It's been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

Graywolf Press, United States, 2014. Paperback. Book Condition: New. 208 x 124 mm. Language: English . Brand New Book. A quartet of audacious fictions that capture the pathos and absurdity of life in the age of the internet *A New York Times Book Review Editors Choice* * One of Flavorwire s 50 Books That Define the Past Five Years in Literature A spectacularly talented young writer has returned from the present with Four New Messages, urgent and visionary dispatches that seek to save art, sex, and even alienation from corporatism and technology run rampant. In Emission, a hapless drug dealer in Princeton is humiliated when a cruel co-ed exposes him exposing himself on a blog gone viral. McDonald s tells of a frustrated pharmaceutical copywriter whose imaginative flights fail to bring solace because of a certain word he cannot put down on paper. In The College Borough a father visiting NYU with his daughter remembers a former writing teacher, a New Yorker exiled to the Midwest who refuses to read his students stories, asking them instead to build a replica of the Flatiron Building. Sent begins mythically in the woods of Russia, but in a few virtuosic pages plunges into the present, where an aspiring journalist finds himself in a village that shelters all the women who ve starred in all the internet porn he s ever enjoyed. Highbrow and low-down, these four intensely felt stories explain what happens when the virtual begins to colonize the real -- they harness the torrential power and verbal dexterity that have established Cohen as one of America s most brilliant younger writers.
