Eminem SBTS: The Stories Behind Every Song (Hardback)

By David Stubbs

Carlton Books Ltd, United Kingdom, 2012. Hardback. Book Condition: New. 194 x 142 mm. Language: English . Brand New Book. After more than a decade in the game, Eminem endures as one of the most popular celebrities. The world s most successful rapper continues to break records in the modern era, recently reinventing himself after a drug overdose to hold his own against viral sensations like Lady Gaga and Justin Bieber. Controversy is one quality that Marshall Mathers III has never failed to deliver in spades. From his fledgling rhymes with New Jacks and D-12 through to Billboard chart-busting epics like My Name Is , The Way I Am and Stan , his body of recorded work has been an exercise in lyrical genius, satirical wit and enjoyably gratuitous offensiveness. This book examines, for the first time, the entire oeuvre of the immensely gifted poet and street culture purveyor that is Eminem. This is the definitive critical study of the man dubbed by Newsweek as the most compelling figure in all of pop music : it s a quest for the visceral, troubled raison d etre of Eminem.

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
