UNDERSTANDING INSECTS

Cherry Lake Publishing, United States, 2014. Paperback. Book Condition: New. 236 x 183 mm. Language: English . Brand New Book. The ability to use the NextGen science process is key to carrying out experiments, taking measurements, or performing technical tasks. In this book, readers in real-world situations are tasked with following clues and using the NextGen science process to find out what happens during a colony bee collapse. Informational text presents evidence and facts in the form of clues and side-bar details to help children develop critical thinking skills. A summary of the situation is included to show how each chapter contributes to the whole and for a solid understanding of the topic.
