Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

Lasser s Small Business Taxes 2016 helps small business owners maximize their bottom line with straightforward, yet comprehensive guidance from the most trusted name in tax. Featuring a complete listing of all available business expense deductions, including dollar limits and record-keeping requirements, this book helps you quickly determine what kind of tax relief is available to you, and how to take it all the way down to where to claim deductions on the forms themselves. Tax facts, strategies, and the latest up-to-date information help ensure that you don t miss out on money-saving opportunities, and sample forms and checklists help you get organized and submit a complete and proper filing. You re an expert on your business, not on taxes. But you still have to pay them. Millions of small business owners pay too much because they lack the time and expertise to identify deductions designed with them in mind. This book aims to put a stop to overpayment in 2016, so you can put more of your time and money back where it belongs. * Simplify tax time and focus on your business * Reduce your tax bill easily and legally * Find the answers that are relevant to your business * Understand deductions and how to take them properly As a small business owner, your plate is full just keeping your business going. You don t have the time or energy to start a second career as a tax accountant, yet you don t want to overpay the IRS when that money could do great things for your business. J.K.
