ATP 2-01 establishes doctrine for the specific functions under planning requirements and assessing collection. It expands on the principles in FM 3-55. ATP 2-01 should be used in conjunction with FM 3-55 and with FM 2-0. It outlines the preparation of planning requirements tools during the conduct (planning, preparation, execution, and assessment) of operations. This publication provides details on the four continuing functions of planning requirements and assessing collection. It includes techniques for developing planning requirements tools and keeping them current throughout an operation. It addresses factors to consider when supporting offensive, defensive, and stability tasks. It also discusses considerations when operating in urban and nontemperate environments. Although the discussions and descriptions in this manual may seem linear, planning requirements...
