THE NEW YORK TRILOGY

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 132 mm. Language: English . Brand New. Paul Auster s brilliant debut novels, *City of Glass*, *Ghosts*, and *The Locked Room* brought him international acclaim for his creation of a new genre, mixing elements of the standard detective fiction and postmodern fiction. *City of Glass* combines dark, Kafka-like humor with all the suspense of a Hitchcock film as a writer of detective stories becomes embroiled in a complex and puzzling series of events, beginning with a call from a stranger in the middle of the night asking for the author Paul Auster himself. *Ghosts*, the second volume of this interconnected trilogy, introduces Blue, a private detective hired to watch a man named Black, who, as he becomes intermeshed into a haunting and claustrophobic game of hide-and-seek, is lured into the very trap he has created. The final volume, *The Locked Room*, also begins with a mystery, told this time in the first-person narrative. The nameless hero journeys into the unknown as he attempts to reconstruct the past which he has experienced almost as a dream. Together these three fictions lead the listener on adventures that expand the mind as they entertain. Auster harnesses the inquiring spirit any reader brings to a mystery, redirecting it from the grubby search for a wrongdoer to the more rarified search for the self. (New York Times Book Review) Bonus audio: James Atlas interview with the Author.
